of International School Helsingborg

## This year is full of possibilities at ISH

With dedicated school staff, a newly organized Parent Teacher Association and an ever growing student body.

The theme & main focus is  
**EVERYONE CAN BE INVOLVED!**

There are many ways you can participate.  
Whatever you can do to contribute benefits  
the school and your child(ren).

2

### DIRECTLY IMPACT YOUR CHILDS EDUCATION

Many years of research has proven, that when parents engage in their Childs education and involved in their school, it promotes higher student achievement
